

A perspective view of a mobile storage cabinet assembly. The assembly includes a main cabinet body (10) with a door (12) and a base (76). The base is equipped with casters (82) for mobility. A locking mechanism (132) is shown on the top edge of the door. Internal components include a drawer (134) and a shelf (166). A handle (174) is located on the front panel. A label (182) is attached to the side of the cabinet. A power cord (164F) is connected to the bottom of the unit. A control panel (13) is visible on the right side of the door.
